

Luxury Redefined A FLIGHT TO KAPAMA

Kapama Private Game Reserve proudly offers an exclusive fly-in experience with our own 1.5km tarred runway, equipped with runway lights for safe after-dark landings, and branded Pilatus PC-12 NG aircraft, setting the standard for luxury air travel.

The Pilatus PC-12 NG provides unparalleled comfort and luxury, embodying Kapama's commitment to exceptional service. It is the benchmark for outstanding versatility, performance, reliability and operational flexibility. As such, it is one of the most popular turbine-powered business aircraft on the market today. The Pilatus PC-12 NG comfortably accommodates up to eight passengers with a luggage allowance of 20 kg each, or up to six passengers with no luggage constraints.

Crafted in Switzerland, the Pilatus is renowned for its superior quality and boasts an impressive safety record, making it one of the most reliable aircraft globally.

Kapama's guests have the flexibility to choose from multiple travel routes, offering exclusive flights directly from locations like Cape Town, Kruger Mpumalanga International Airport, Johannesburg, or even Victoria Falls, among others.

For guests opting for this premium travel option, Kapama utilises the elite services of Fireblade Terminal at OR Tambo International in Johannesburg and Signature services at Cape Town International.

Travel times are conveniently short, with only 50 minutes from Johannesburg to Kapama and 2 hours and 45 minutes from Cape Town directly into Kapama private landing strip.

Experience the pinnacle of safari travel with Kapama's bespoke luxury air service.

SPECIFICATIONS

Luggage Capacity Overview:

The luggage compartment on Kapama's PC-12 has a volume of 40 ft³ (1.13 m³) and is designated for all passenger luggage. The SA Civil Aviation Authority regulates no excess luggage is allowed in the aisles for safety reasons. Hardside wheeled luggage reduces the storage capacity in the designated luggage compartment.

Luggage Specifications by Passenger Count:

Up to six Passengers: There are no stringent limits on the quantity of soft or hard side luggage.

Eight Passengers: Each passenger is permitted to bring up to 140 litres of luggage, preferably packed in soft duffle bags. A max. of four hard side wheeled bags, each up to 80 cm / 31.5 inches.

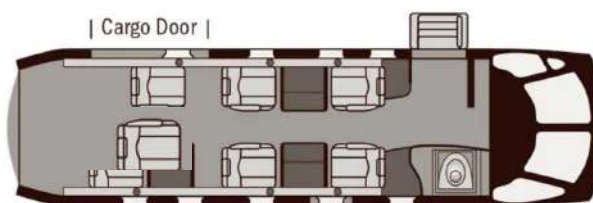

These guidelines ensure compliance with aviation safety standards.

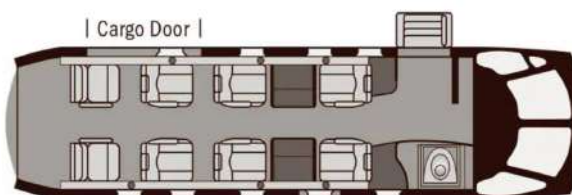

SPECIFICATIONS

Interior Configuration Options:

- **Executive six Seater:** This configuration offers a spacious cabin for six passengers, with ample room for luggage storage

- **Executive six Seater + two Standard Seats:** For added flexibility, two quick-release seats can be installed or removed as needed. This option accommodates either six or eight passengers, with all luggage securely stored in the 40 ft³ (1.13 m³) luggage compartment, in compliance with the SA Civil Aviation Authority regulations.
